| Beecholme Inducting

Our induction
process a 6 week
duration.

During that time the future residents are
evaluated if they like and will be able to adapt
to the care home environment and routine.

Every time that they visit our home can have the
duration of a few hours to the full day, overnight
stays, or for a continue period up to 3 days.

Daily

Weekly

Monthly

3 Monthly

6 Monthly

Our residents are taken care and evaluated daily and also in our weekly staff meeting to evaluate their mood, health and medication reaction.

The care plan is evaluated starting monthly up to 3 month and 6 months.
